Board Member

William E. Hunt, CPA
Board Member

4/7/2008

The Virginia Board of Accountancy (the Board) will soon provide its Licensees and the public with a new and robust licensing database solution with many new capabilities. While this new database is under construction, the option for downloading a free listing of currently licensed CPA's from the website has been removed. The listing has been out of date for a while as a result of a fatal error in the software program. We realize this is an inconvenience to those who have been enjoying this free download service over the last few years.

If you wish to obtain a current CPA licensee listing, the Board will request its programming staff to create a listing of current CPA licensees in an ACCESS database format. The cost to create this listing is \$40, and that is the standard charge to any member of the public wishing to purchase the listing. This listing will include the name, address with zip code, and CPA license number of each currently licensed Virginia CPA. We are unable to include the email address in this listing. Please forward your request with a check made payable to the Treasurer of Virginia in the amount of \$40 to the address shown above.

Thank you for your patience and cooperation as the Board implements its new system. If you have any questions, please contact our office at (804) 367-8505.

A handwritten signature in cursive script, appearing to read "Katherine Idrissi".
